## Purchasing Card Process

The ISU Campus Organizations Accounting (COA) Office, in coordination with ISU Purchasing Department, US Bank and Elan Financial Services, will issue the COA Purchasing Card. The COA Purchasing Card Program Cardholder Application and Agreement form must be completed and returned to the COA office with the appropriate authorization before the Purchasing Card will be ordered. Once your card is received and programmed by COA, the cardholder, treasurer, and advisor will be notified about mandatory training. After all organization roles have completed training, the cardholder will receive his/her card. At that time, the cardholder will be required to sign the back of the Purchasing Card.

The Purchasing Card transaction limit and monthly limit maximums are $1000/$5000, respectively. The monthly billing cycle is the 12th through the 11th. The student organization has the option of setting lower limits if desired. If there is a need, the organization’s advisor may request a higher transaction limit and/or monthly limit.

The student organization treasurer, upon receiving the monthly project statement, will check transactions to ensure the actual amounts charged for purchases are correct and match receipts. Discrepancies are the responsibility of the organization to resolve. If there are charges the organization wishes to dispute, it is the responsibility of the organization to first contact the merchant to seek a resolution. If not satisfied with the outcome, the organization shall contact the COA Office within thirty (30) days after the transaction is posted to initiate a formal billing inquiry with US Bank.

The student organization treasurer shall attach proper documentation and validate all transactions using the online Purchasing Card reconciliation system within a ten (10) day period after a transaction has posted. Original itemized transaction receipts over $200 shall be maintained for a period of one (1) year by the organization advisor. Documentation is subject to audit. A copy of billing statement will be maintained by the COA office for a period of ten (10) years.

The organization shall provide the following information for the on-line system database:

Cardholder Agreement

The cardholder has full liability for any improper charges that result from allowing others to use the card. Should a cardholder leave the university or student organization, the cardholder’s organization has the specific obligation to notify the Student Purchasing Card Program Administrator within five (5) calendar days. The cardholder may not make personal purchases on the card and then reimburse the organization/university. All card charges and associated fees will be the responsibility of the cardholder’s organization.

Should a card be lost or stolen, the cardholder and cardholder’s organization are responsible for notifying US Bank at 800-344-5696, the COA Purchasing Card Administrator at (515) 294-6015, and the ISU Public Safety Office at (515) 294-4428 within five (5) calendar days.

As holder of this Student Purchasing Card, I agree to accept the responsibility for the protection and proper use of this Student Purchasing Card, as enumerated in this Agreement, the User Guide for Iowa State University Student Purchasing Card Program (User COA Guide), and Statement of Purchasing Card Receipt, which will be furnished when my card is received.

I further understand that improper or fraudulent use of the Student Purchasing Card may result in disciplinary action in accordance with the student conduct policies and/or violation of criminal laws. Should I fail to use this Student Purchasing Card properly, I authorize the university to charge my university bill, an amount equal to the total of the improper or non-documented purchases. I also agree to allow the university to collect any amounts owed by me, even if I am no longer affiliated with the university. The unpaid account may be referred for collection where I agree to pay the collection costs. If the university initiates legal proceedings to recover amounts owed by me under this Agreement, I agree to pay legal fees incurred by the university in such proceedings.

The Campus Organizations Accounting Office shall communicate any policy or regulation changes to the Cardholder by email, newsletter, and/or interoffice memo. I agree to comply with any additional changes communicated to me, effective on the date of the email or memo.

NOTE: Non-adherence to any of the procedures enumerated in the Agreement, the User Guide, or the Statement of Student Purchasing Card Receipt, may result in revocation of individual cardholder privileges and may also result in revocation of all student organizational Purchasing Cards.
